# Study Development and Schedule

**Step 1: Existing Conditions & Corridor Vision**  
May – July 2023

**Step 2: Feasible Alternative Development**  
July – January 2024

**TONIGHT**

**Step 3: Final Study Recommendations**  
January – February 2024

## Study Schedule

Department of  
Transportation

A **vision** without a plan is just a dream,  
A **plan** without a vision is just drudgery,

But a **vision** and a **plan** can change the world.

# Vision Statement

*The Briarcliff-Peekskill Parkway in northern Westchester County will support safe, efficient, reliable, and environmentally sound movement of people and goods, minimizing diversions to secondary roadways while maintaining its aesthetic values. Regional and local trips will enjoy a modern, sustainable, and well-maintained facility that promotes strong community cohesion and accommodates all roadway users including pedestrians and bicyclists traversing the corridor.*

# Goal Statements

- ➔ Improve overall corridor safety for all users
- ➔ Support efficient and safe community connections traversing the parkway
- ➔ Improve traffic operations, providing a reliable system that supports the efficient movement of vehicles, pedestrians and cyclists, and transit operations
- ➔ Modernize roadway
- ➔ Maintain parkway aesthetics and minimize environmental/social impacts
